## Imara Trust continues to grow its outsourcing services with the addition of an important new client - Fides Trustees (Mauritius) Limited

**FIDES**  
TRUSTEES (MAURITIUS)

Fides Trustees (Mauritius) Limited is promoted by Fides Holdings S.A, a Luxembourg based holding company with owns and operates a number of business divisions, one of which is Fides Trustees S.A in Geneva specialising in the provision of Trustee and Corporate Services including the administration of trusts, foundations, and companies.

As part of its strategy to expand internationally and in addition to its offices in London and Geneva, the Fides Group has chosen to establish a Trust Company in Mauritius given the jurisdiction's solid international reputation and its conducive legislative and operational framework. Fides Trustees (Mauritius) Limited, will operate as a Managed Corporate Services Provider ("MCSP") of Imara Trust, i.e. it will outsource the management and administration of the company and its client portfolio to Imara Trust.

Fides brings together a close-knit, multi-generational team of like-minded professionals of varying backgrounds and expertise who share similar ideals, ethics and values.

We, at Imara Trust, are very proud to be associated with the Fides Group. Our combined strengths are a potent recipe for success. At its core, this association will be driven by the shared values of both companies, which are focused on providing the highest level of personalised trust and corporate services to our clients and adding value for all our stakeholders.
